Padang Besar in Malaysia. The Government of Malaysia has issued a formal Letter of Intent on 23rd August, 2001 to IRCON as follow up action on the MOU. The discussion on the technical and commercial aspects of the project are expected to take place around April, 2002.

Indian in foreign jails

*352. SHRI NANA DESHMUKH : Will the Minister of EXTERNAL AFFAIRS be pleased to state :

(a) whether Government's attention has been drawn to the news-item captioned "In foreign jails Indian are bound in red tape" appearing in the 'Hindustan times' dated the 8th November, 2001;

(b) whether the families of Indian prisoners, who are more than 6,600, in foreign jails have applied through his Ministry for release of their wards; and

(c) if so, the cases in which his Ministry has helped their early release ?

THE MINISTER OF EXTERNAL AFFAIRS (SHRI JASWANT SINGH) (a) Yes, Sir, the Government has noted the news item.

(b) From time to time the Government receives requests for assistance for the release of Indian prisoners, from foreign jails, from their families and others.

(c) As soon as Indian diplomatic mission is informed of the arrest of an Indian citizen in a foreign country, a request is made by it to the host Government, for seeking consular access. An official of the Mission visits the detainee to ascertain the circumstances leading to the arrest. Where necessary the Mission takes up the matter with the host Government for speedy and fair trial and also for review of the sentence. The prisoners are normally released on completion of their sentences. In deserving cases, our Missions approach the local authorities for remission of sentences.

In Gulf countries, during the holy month of ramadan our Missions send formal requests for Royal Pardon for release of Indian prisoners on humanitarian grounds.

The arrest and release of indian prisoners abroad is a continuous process.
